Bennie and the Jets

Elton John

Verse 1:

Hey kids, shake it loose together the spotlight's hitting something
that's been known to change the weather

We'll kill the fatted calf tonight so stick around.

You're gonna hear electric music, solid walls of sound.

Chorus:

Say, Candy and Ronnie, have you seen them yet

Oh, but they're so spaced out. B-B-B-Bennie and the Jets.

Oh but they're weird & they're wonderful. Oh Bennie she's really keen.

She's got electric boots, a mohair suit - you know I read it in a magazine.

Oh - oh. Bennie and the Jets

Verse 2:

Hey kids, plug into the faithless.

Maybe they're blinded but Bennie makes them ageless.

We shall survive, let us take ourselves along.

Where we fight our parents out in the streets

to find who's right & who's or wrong.

Repeat Chorus:

Say, Candy and Ronnie, have you seen them yet

Oh, but they're so spaced out. B-B-B-Bennie and the Jets.

Oh but they're weird & they're wonderful. Oh Bennie she's really keen.

She's got electric boots, a mohair suit - you know I read it in a magazine.

Oh - oh. Bennie and the Jets

The One You Love

Glenn Frey

Verse 1:
I know you need a friend ... someone you can talk to ...
Who will understand what you're going through ...
When it comes to love ... there's no easy answer ...
Only you can say what your gonna do ...

Verse 2:
I heard you on the phone ... you took his number ...
Said you weren't alone but you'd call him soon ...
Isn't he the guy ... the guy who left you crying ...
Isn't he the one that made you blue ...

Pre Chorus:
When you remember ... those nights in his arms ...
You know you gotta make up you're mind ...

Chorus:
Are you gonna stay ... with the one who loves you ...
Or are you goin' back ... to the one you love ...

Someone's gonna cry ... when they know they've lost you ...
Someone's gonna thank the stars above ...

Verse 3:

What you gonna say ... when he comes over ...
There's no easy way to see this through ...
All the broken dreams ... all the disappointment ...
Oh ... girl ... what you gonna do ...

Pre Chorus:

Your heart keeps saying ... it's just not fair ...
But still you gotta make up your mind ...

Chorus:

Are you gonna stay ... with the one who loves you ...
Or are you goin' back ... to the one you love ...
Someone's gonna cry ... when they know they've lost you ...
Someone's gonna thank the stars above ...

Hurts So Good

John Cougar Mellencamp

Verse 1:

When I was a young boy, said put away those young boy ways
Now I'm gettin' older, so much older, I long for those young boy days.
With a girl like you, with a girl like you,
Lord knows there are things we can do, baby,
Just me and you. Come on and make it

Chorus:

Hurt so good.
Come on baby, make it hurt so good.
Sometimes love don't feel like it should.
You make it hurt so good.

Verse 2:

Don't have to be so exciting.
Just tryin' to give myself a little bit of fun, yeah.
You always look so invitin'
You ain't as green as you are young
Hey baby, its you. Come on, girl, now, its you.
Sink your teeth right through my bones, baby.
Let's see what we can do. Come on and make it

Chorus:

Hurt so good. Come on baby, make it hurt so good.
Sometimes love don't feel like it should.
You make it hurt so good.

Break:

I ain't talkin' no big deals
I ain't made no plans myself.
I ain't talkin' no high heels
Maybe we could walk around all day long,

walk around all day long.

Hurt so good. Come on baby, make it hurt so good.
Sometimes love don't feel like it should.
You make it hurt so good.

Final Chorus:

Africa

Toto

Key: B

Verse 1:

I hear the drums echoing tonight
She hears only whispers of
some quiet conversa - tion
She's coming in, twelve thirty flight
The moonlit wings reflect the stars
that guide me toward salva-tion
I stopped an old man along the way
Hoping to find some old forgotten
Words or ancient melo-dies
He turned to me as if to say
“hurry boy, it's waiting there for you”

Chorus:

Gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had...
Ooo Ooo

Verse 2:

The wild dogs cry out in the night
As they grow restless longing for some
solitary compa-ny
I know that I must do what's right
As sure as Kilimanjaro rises
like Olympus above the Serengeti

Frightened of this thing that I've become

Chorus:

Gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had...

Escape - Pina Colada Song

Rupert Holmes

Verse 1:

I was tired of my lady
We'd been together too long
Like a worn out recording
Of a favorite song
So while she lay there sleepin'
I read the paper in bed
And in the personal columns
There was this letter I read

Chorus:

If you like piña coladas
And gettin' caught in the rain
If you're not into yoga
If you have half a brain
If you like makin' love at midnight
In the dunes on the cape
Then I'm the love that you've looked for
Write to me and escape

Verse 2:

I didn't think about my lady
I know that sounds kinda mean
But me and my old lady
Had fallen into the same old dull routine
So I wrote to the paper
Took out a personal ad
And though I'm nobody's poet
I thought it wasn't half bad

Chorus:

Yes, I like piña coladas
And gettin' caught in the rain
I'm not much into health food
I am into champagne
I've got to meet you by tomorrow noon
And cut through all this red tape
At a bar called O'Malley's
Where we'll plan our escape

Verse 3:

So I waited with high hopes
And she walked in the place
I knew her smile in an instant
I knew the curve of her face
It was my own lovely lady
And she said, "Oh, it's you"

Then we laughed for a moment
And I said, "I never knew"

Chorus:

That you like piña coladas
And gettin' caught in the rain
And the feel of the ocean
And the taste of champagne
That you like making love at midnight
In the dunes on the cape
You're the lady I've looked for
Come with me and escape"

Chorus:

If you like piña coladas
And gettin' caught in the rain
If you're not into yoga
If you have half a brain
If you like makin' love at midnight
In the dunes on the cape
Then I'm the love that you've looked for
Write to me and escape

At This Moment

Billy Vera and the Beaters

Verse 1:

What did you think,
I would do at this moment,
When you're standing before me,
With tears in your eyes,
Tryin' to tell me that you have,
Found you another,
And you just don't love me no more,

Verse 2:

What did you think I would say at this moment
When I'm faced with the knowledge
That you just don't love me
Did you think I would curse you
Or say things to hurt you
'cause you just don't love me no more

Bridge:

Did you think I could hate you,
Or raise my hands to you,
Now come on you know me too well,
How could I hurt you,
When darling I love you,
And you know I'd never hurt you,

Verse 3:

What do you think I would give at this moment
If you'd stay I'd subtract twenty years from my life
I'd fall down on my knees
And kiss the ground that you walk on
If I could just hold you again

Interlude - Verse Chords:

Outro:

I'd fall down on my knees
And kiss the ground that you walk on baby
If I could just hold you
If I could just hold you
If I..... If I could just hold you.....Again

Hotel California

Eagles

Verse 1:

On a dark desert highway,
Cool wind in my hair
Warm smell of colitas
Rising up through the air
Up ahead in the distance
I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night

Verse 2:

There she stood in the doorway;
I heard the mission bell
And I was thinking to myself
This could be heaven or this could be hell
Then she lit up a candle,
And she showed me the way
There were voices down the corridor,
I thought I heard them say...

Chorus:

Welcome to the Hotel California
Such a lovely place
Such a lovely face
Plenty of room at the Hotel California
Any time of year
You can find it here

Verse 3:

Her mind is Tiffany-twisted,
She got the Mercedes Benz
She got a lot of pretty pretty boys
She calls friends
How they danced in the courtyard,

Sweet summer sweat
Some dance to remember,
Some dance to forget

Verse 4:

So I called up the captain;
Please bring me my wine
We haven't had that spirit here since 1969
And still those voices are calling from far away
Wake you up in the middle of the night
Just to hear them say...

Chorus:

Welcome to the Hotel California
Such a lovely place
Such a lovely face
They're livin' it up at the Hotel California
What a nice surprise
Bring your alibis

Verse 5:

Mirrors on the ceiling;
The pink champagne on ice
We are all just prisoners here,
Of our own device
And in the master's chambers,
They gathered for the feast
They stab it with their steely knives but they
Just can't kill the beast

Verse 6:

Last thing I remember,
I was running for the door
I had to find the passage back
To the place I was before
"Relax" said the night man;
We are programmed to receive

You can check out any time you like
But you can never leave...

Brother Love's Travellin' Salvation Show

Neil Diamond

Verse 1:

Hot August night and the leaves hangin' down,
and the grass on the ground, smellin'..sweet.
Move up the road to the outside of town,
and the sound of that good Gospel beat...
Sits a ragged tent, where there ain't no trees.
And that gospel group, tellin' you and me...

CHORUS:

It's Love, Brother Love's, say Brother Love's, Travellin'
Salvation Show. (Halle! Halle!)
Pack up the babies and grab the old ladies
and everyone goes, cause everyone knows, Brother Love's Shows.

Verse 2:

Room gets suddenly still and when you'd almost bet
you could hear yourself sweat..he walks in.
Eyes black as coal and when he lifts his face
every ear in the place is on him.

Startin' soft and slow, like a small earthquake..
And when he lets go, half the valley shakes!

CHORUS:

It's Love, Brother Love's, say Brother Love's, Travellin'
Salvation Show. (Halle! Halle!)
Pack up the babies and grab the old ladies
and everyone goes, cause everyone knows, Brother Love's Shows.

SPOKEN:

Brothers! (Hallelujah), I said Brothers! (Halle-Hallelujah!)
Now you got yourself two good hands.
And when your brother is troubled you got to reach out your one hand for him.
Cause that's what it's there for.
And when your heart is troubled, you got to reach out your other hand.
Reach it out to the Man up there.
Cause that's what He's there for.

Pre Chorus:

Take my hand in yours...walk with me this day.
In my heart I know...I will never stray.
Halle!-Halle!-Halle!-Halle!-Halle!-Halle!-Halle!-Halle!

CHORUS:

It's Love, Brother Love's, say Brother Love's, Travellin'
Salvation Show. (Halle! Halle!)
Pack up the babies and grab the old ladies
and everyone goes...
It's Love, Brother Love, say Brother Love's Travellin'
Salvation Show.(Halle!-Halle!)
Pack up the babies and grab the old ladies,
and everyone goes...
It's Love, Brother Love's Show

Hooked On a Feeling

We could get together for awhile.
It's been such a long time,
And I really do miss your smile.

Take a drive along the beach,

And I don't wanna change your life,

Just the Two of Us

Grover Washington and Bill Withers

And the beauty of it all
Is when the sun comes shining through

To make those rainbows in my mind

And I wanna spend some time with you

Just the two of us (just the two of us)
Just the two of us, building castles in the sky

Wasted water's all that is

Just the two of us (just the two of us)

Just the two of us, building big castles way on high

You're So Vain

Carly Simon

Verse 1:

You walked into a party;
like you are walking on to a yacht
Your hat, strategically dipped below one eye;
your scarf it was apricot
You had one eye in the mirror as
you watched yourself gavotte
And all the girls dreamed that
they'd be your partner
they'd be your partner and

Chorus:

You're so vain,
you prob'ly think this song is about you
You're so vain,
I'll bet you think this song is about you,
don't you, don't you

Verse 2:

You had me several years ago;
when I was still quite naive
Well you said we make such a pretty pair
and that you would never leave

But you gave away the things you loved
and one of them was me
I had some dreams; they were
clouds in my coffee, clouds in my coffee and

Chorus:

You're so vain,
you prob'ly think this song is about you
You're so vain,
I'll bet you think this song is about you,
don't you, don't you

Verse 3:

Well, I hear you went up to Saratoga
and your horse naturally won
Then you flew your Lear jet up to Nova Scotia
To see the total eclipse of the sun

Some under world spy, or the wife of a close friend, wife of a close friend and

Repeat Chorus X2:

You're so vain,
you prob'ly think this song is about you
You're so vain,
I'll bet you think this song is about you,

Verse 2:

I close my eyes at night,
wondering where would I be without you in my life
Everything I did was just a bore,
everywhere I went it seems I'd been there before
But you brightened up for me all of my days
With a love so sweet in so many ways
I want to stop and thank you baby
I want to stop and thank you baby

Chorus:

How sweet it is to be loved by you
How sweet it is to be loved by you

You were better to me than I was to myself
For me, there's you and there ain't nobody else
I want to stop and thank you baby
I want to stop and thank you baby

Chorus:

How sweet it is to be loved by you
How sweet it is to be loved by you

I Say a Little Prayer

Dionne Warwick

Verse 1

The moment I wake up
Before I put on my makeup
I say a little prayer for you
While combing my hair, now
And wondering what dress to wear, now
I say a little prayer for you

Chorus:

Forever, forever, you'll stay in my heart
And I will love you
Forever, forever, we never will part
Oh, how I'll love you
Together, Forever, that's how it must be
To live without you
Would only be heartbreak for me

Verse 2:

I run for the bus, dear
While riding I think of us, dear
I say a little prayer for you
At work, I just take time
And all through my coffee break-time
I say a little prayer for you

Chorus:

Forever, forever, you'll stay in my heart
And I will love you
Forever, forever, we never will part
Oh, how I'll love you
Together, Forever, that's how it must be
To live without you
Would only be heartbreak for me

Coda:

My darling, believe me.
For me there is no one but you
Please love me too
I'm in love with you
Answer my prayer, Baby

Chorus:

Forever, forever, you'll stay in my heart
And I will love you

Forever, forever, we never will part
Oh, how I'll love you
Together, Forever, that's how it must be
To live without you
Would only be heartbreak for me

Sittin' On The Dock Of The Bay

Otis Redding

VERSE 1:

Sittin' in the mornin' sun
I'll be sittin' when the evenin' come
Watching the ships roll in
Then I'll watch 'em roll away again, yeah

CHORUS:

I'm sittin' on the dock of the bay
Watching the tide roll away
Ooo, I'm just sittin' on the dock of the bay
Wastin' time

VERSE 2:

I left my home in Georgia
Headed for the 'Frisco Bay
I have nothing to live for
Look like nothin's gonna come my way

CHORUS:

So I'm just gonna sit on the dock of the bay
Watching the tide roll away
Ooo, I'm sittin' on the dock of the bay
Wastin' time

BRIDGE:

Look like, nothing's gonna change

Everything still remains the same
I can't do what ten people tell me to do
So I guess I'll remain the same, yes

VERSE 3:

Sittin' here resting my bones
And this loneliness won't leave me alone
It's two thousand miles I roam
Just to make this dock my home

CHORUS:

Now I'm just gonna sit at the dock of the bay
Watching the tide roll away
Ooo, I'm sittin' on the dock of the bay
Wastin' time

Nothing around but the sound of my heart and your sighs

Emotions

Bee Gees

VERSE 1:

It's over and done,
But the heartache lives on inside (ohhhhh)
And who is the one you ´re clinging to,
Instead of me tonight.

BRIDGE:

And where are you now, Now that I need you,
Tears on my pillow, Where ever you go
I'll cry me a river, That ´s leads to your ocean
You ´ll never see me fall apart in the words of a broken heart

CHORUS:

It ´s just emotion that's taking me over,
Caught up in sorrow, lost in the song,
But if you don ´t come back,
Come home to me darling,
You'll know there'll be nobody left in this world to hold me tight,
nobody left in this world to kiss goodnight,
Goodnight, Goodnight, Goodnight Goodnight

VERSE 2:

I ´m there, at your side,
I'm part of all the things you are, (ohhhh)

You gonna go find your shining star.

Tears on my pillow, Where ever you go
I'll cry me a river, That ´s leads to your ocean

It ´s just emotion that's taking me over,
Caught up in sorrow, lost in the song,
But if you don ´t come back,

nobody left in this world to kiss goodnight,
Goodnight, Goodnight, Goodnight Goodnight

Friends in Low Places

Garth Brooks

Verse 1:

Blame it all on my roots, I showed up in boots
And ruined your black tie affair
The last one to know, the last one to show
I was the last one you thought you'd see there
And I saw the surprise, and the fear in his eyes
When I took his glass of champagne
And I toasted you, said, "Honey, we may be through
But you'll never hear me complain"

Chorus:

'Cause I've got friends in low places
Where the whiskey drowns and the beer chases
My blues away
And I'll be okay
I'm not big on social graces
Think I'll slip on down to the Oasis
Oh, I've got friends
In low places

Verse 2:

Well, I guess I was wrong, I just don't belong
But then, I've been there before
Everything's alright, I'll just say goodnight

And I'll show myself to the door
Hey, I didn't mean, to cause a big scene
Just give me an hour and then
Well I'll be as high as that ivory tower
That you're livin' in

Chorus 1:

'Cause I've got friends in low places
Where the whiskey drowns and the beer chases
My blues away
And I'll be okay
I'm not big on social graces
Think I'll slip on down to the Oasis
Oh, I've got friends
In low places

Chorus 2:

I've got friends in low places
Where the whiskey drowns and the beer chases
My blues away
And I'll be okay
I'm not big on social graces
Think I'll slip on down to the Oasis
Oh, I've got friends
In low places

With a Little Help From My Friends

What would you think if I sang out of tune
Would you stand up and walk out on me
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key

Oh, I get by with a little help from my friends

Hmm, I get high with a little help from my friends

Hmm, going to try with a little help from my friends

What do I do when my love is away

Does it worry you to be alone?

How do I feel by the end of the day

Are you sad because you're on your own?

No, I get by with a little help from my friends

Hmm, I get high with a little help from my friends

Hmm, going to try with a little help from my friends

Do you need anybody?

I need somebody to love

Could it be anybody?

I want somebody to love

Would you believe in a love at first sight?

Yes, I'm certain that it happens all the time

What do you see when you turn out the light?

I can't tell you, but I know it's mine

Oh, I get by with a little help from my friends

Hmm, I get high with a little help from my friends

Hmm, going to try with a little help from my friends

I want somebody to love

Oh, I get high with a little help from my friends

Outro:

Yes, I get by with a little help from my friends

With a little help from my friends

Sweet Caroline

Neil Diamond

Verse 1:

Where it began

I can't begin to knowin'

But then I know it's growing strong

Was in the spring

And spring became the summer

Who'd have believed you'd come along

Pre-Chorus:

Hands, touchin' hands

Reachin' out, touchin' me, touchin' you

Chorus:

Sweet Caroline (F E A)

Good times never seemed so good

I've been inclined (F E A)

To believe they never would

But now I...

Verse 2:

...look at the night

And it don't seem so lonely
We fill it up with only two
And when I hurt
Hurtin' runs off my shoulders
How can I hurt when holding you?

Pre-Chorus:

Warm, touchin' warm
Reachin' out, touchin' me, touchin' you

Chorus:

Sweet Caroline (F E A)
Good times never seemed so good
I've been inclined (F E A)
To believe they never would
Oh, no, no

Outro:

Sweet Caroline (F E A)
Good times never seemed so good
I've been inclined (F E A)
To believe they never would
Sweet Caroline (F E A)
Good times never seemed so...
